At Samuel Whitbread Academy, we prioritise reading to ensure every student can read confidently for pleasure and progress.

Welcome to our monthly newsletter. We hope this will help you support your child with their reading at home.

At Samuel Whitbread, we strive to empower our students, helping them navigate the challenges they may face in today's society.

By creating an inclusive environment that values diversity, we aim to equip all of our students with the tools they need to thrive academically, emotionally, and socially. We actively work to break down barriers, challenge stereotypes, and promote a culture of acceptance and inclusivity.

Thanks to the generous support of BEST, we are thrilled to announce the securing of substantial funding for a complete renovation of our school library. This will include a full set of Chromebooks; empowering students with modern technology for research, collaboration and learning. The renovation project will include comfortable seating areas, flexible study zones, and vibrant displays. We aim to create a welcoming and inspiring environment that encourages a love for reading, exploration, and discovery.

Stay tuned for updates as the renovation progresses, and get ready to be amazed by the incredible changes coming to our school library!

MRS SINCLAIR

### Queer Up:

A positive and uplifting book for young people who are queer or curious - and their allies looking to support them.

In this empowering and uplifting book, Alexis Caught sets out to help queer and curious teenagers explore their LGBTQ+ identity.

MRS LINEHAN

### Heartstopper:

Charlie Spring is in Year 10 at Truham Grammar School for Boys. The past year hasn't been too great, but at least he's not being bullied anymore. Nick Nelson is in Year 11 and on the school rugby team. He's heard a little about Charlie - the kid who was outed last year and bullied for a few months - but he's never had the opportunity to talk to him.

MRS CORBISHLEY

### This Book is Gay:

Lesbian. Bisexual. Queer. Transgender. Straight. Curious. This book is for everyone, regardless of gender or sexual preference. This book is for anyone who's ever dared to wonder. This book is for YOU.
