## NEWSLETTER

At Samuel Whitbread Academy, we prioritise reading to ensure every student can read confidently for pleasure and progress.

Welcome to our monthly newsletter. We hope this will help you support your child with their reading at home.

### Why is reading important?

Reading for pleasure is extremely beneficial for our emotional well-being as well as personal and intellectual development. It also helps develop our ability to focus for longer periods of time, creating lifelong learning habits and a deeper understanding of an increasingly complex world.

Every month we will share reading recommendations, news from our library and top tips for how you can support your child's reading at home.

Reconnect reading to hobbies and interests. For many young people, as reading becomes linked to exam and school pressures, they can begin to be disengaged with reading. Find out what your child is currently excited about and see if they might like to read something about that - for example an article, a review or a blog - encourage different formats!
