

# Head Boy & Girl Manifestos 2017-2018

VOTING CLOSES  
MONDAY 26<sup>TH</sup> MARCH 3PM

# Lucas Lyko

## My policies are:

- New e-praise rewards for the person with the most praise points in each year group to make them more appealing
- More communal space at break and lunch times with I.T. rooms opened for those that would like them
- Skills for life taught by Barclays Bank Life Skills volunteers as well as an introduction of such topics in engaging minds lessons
- A new smart entry and exit system for the sixth form using smart cards or fingerprints

# Daniel Statham

## Why Vote STATHAM?

### Together we will...

- Open and maintain all toilets
- Help make charity work more important in school
- Introduce non-compulsory games activities for six formers
- Change some RS/Engaging minds into more of a Life Skills lesson

### But Finally...

- I will listen to your ideas and help implement them into the school.

**VOTE STATHAM**

**JUST DO IT.**

# Amy Hobbs

ALL of my policies have been approved by Mr Martin

- **INCREASING OPPORTUNITIES:** involve the school with in and out of school competitions, building ties for you with other schools and universities– even Oxford or Cambridge– boosting your CV at the same time.
- **BRING THE SCHOOL TOGETHER:** Set a Guinness World Record!
- **STUDENTS HELPING STUDENTS:** Creating exam and revision drop in sessions for GCSE students, run by experienced 6th formers.
- **MAKE SAMUEL WHITBREAD GREEN AGAIN:** invest in recycling facilities, so that together we can help to protect our environment.
- **CANTEEN FOOD:** work alongside you, to decide what you want to see on the menus, with increased catering for vegetarians and vegans.
- **TOILETS:** negotiate with the leadership team to invest in repairs, fixing locks and keeping them properly maintained.
- **SOCIAL EVENTS:** Giving you the opportunity to create memories to last a lifetime, organising Christmas parties and national celebrations, such as Pride Week.
- **AWARDS:** advocate first aid courses and volunteering awards, boosting your CV.
- **TEXTBOOK EXCHANGE:** create a textbook exchange depo, where students can leave old textbooks and study notes, allowing new students to collect what they need for each subject.
- **SCHOOL SNAPCHAT:** co-led by students, for students. To keep you updated with clubs, revision tips and special events around the school.

ELECTION IS COMING

VOTE HOBBS  
FOR YOUR HEAD GIRL

- **GIVE YOU YOUR SAY:** give you a greater input when the leadership team is making decisions about your uniform, school policies and upcoming events.
- **6TH FORM:** update the computer systems in the study rooms, so that work can be completed efficiently.

## For everyone:

- Make sex education more diverse. Learn about contraception for same sex couples and what is consent and the consequences it can have when there is no consent
- Hear from past/current students when choosing GCSE's/A-Levels/Next Steps. Meaning students get more insight into their subjects and not just from those who get 9's and A\*'s so it can be relatable for everyone
- New water fountains. It is important to keep hydrated yet our fountains don't work or the ones that do often aren't treated properly
- Sort out vandalism in toilets. Toilets need to be kept hygienic plus nobody likes going into a dirty toilet!

## Sixth Form:

- More plug socket in blues on the side by the decking, so more laptops/phones can be charged to allow us to do our work
- New seats in the blues, ones that don't move around by the slightest push and are more comfy
- Sort out signing in and out system, find out if we will have a scanning machine
- Optional games lesson once a cycle, just a simple game like benchball or rounders, as some free time to help us keep fit and let go
