

## Samuel Whitbread Academy – Pupil Premium

### Percentage of whole school population

FSM = 7%

CLA = 0.6%

SP = 4.4%

<b>Approach</b>	<b>Potential gain</b>	<b>Cost</b>	<b>Applicability</b>	<b>Evidence</b>	<b>Impact at SWA</b>
<i>Extra Classes on Tues &amp; Thurs as part of after school programmes</i>	2 Months	££££	English, Maths, Science	**	Specialist teachers in English, Maths & Science focus on the requirements of Yr 11 Pupil Premium (PP) students in the CORE subjects. Particular emphasis is placed on giving effective feedback.
<i>One-to-One tutoring/mentoring</i>	1 Month	££	English, Maths, Science	***	Meta-cognition and Self regulation strategies are focussed upon with the most vulnerable Pupil Premium (PP) students.
<i>Ability grouping</i>	1 Month	£	English, Maths, Science	***	Extra staffing is provided in English and Maths with particular reference to Pupil Premium (PP) students focussing on helping them with their controlled assessments.
<i>Feedback</i>	9 Months	££	English, Maths, Science	***	Departmental approaches are focussed on Pupil Premium (PP) students giving information to the learner relative to their learning goals and gives scaffolded approach to achieving these goals. The feedback is best directed at the task and process level ie, feedback is what is right rather than what is wrong.
<i>Early Intervention</i>	6 Months	££	English, Maths, Science	****	These approaches are aimed at Yr 10 Pupil Premium (PP) students with a focus on CORE subjects. The approach is that of a systematic review and meta-analysis of intervention approaches.

<i>One to one support</i>	5 Months	££££ £	Primary, Secondary. English, Maths, Science	****	Pupils are highlighted by our SENCO and are withdrawn from foundation subjects.
<i>Homework support</i>	5 Months	£	Primary, Secondary. English, Maths, Science	***	We offer a study centre 3 evenings per week from 3.30-4.30pm as well as 3 lunchtime sessions in both KS2 and KS3. Pupils are supported by staff and ICT facilities at these sessions.
<i>ICT Provision</i>	4 Months	££££	Primary, Secondary. English, Maths, Science	****	We have 4 specific ICT suites and a class set of laptops. All classrooms have an interactive whiteboard or projector. All pupils have their own network area and email address and access to the learning platform.
<i>Phonics/Sounds write</i>	4 Months	£	Primary, Secondary. English, Maths, Science	****	Pupils are highlighted by our SENCO/English teachers/general staff and then embark on the programme which is run by a full-time LSA with expertise in this area.
<i>Reducing class sizes</i>	3 Months	££££ £	Primary, Secondary. English, Maths, Science	***	We preferentially staff the core subjects in KS2 (4 classes with 5 teachers). This model is also used in the KS3 Core subjects as well as PE, DT, Humanities and MFL
<i>Sports participation</i>	3 Months	£££	Primary, Secondary. English, Maths, Science	**	We operate over 60 recreational sports clubs across both key stages. We compete at district, county, regional and National level. We also run regular B, C and D teams to ensure everyone who wants to represent the school in a competitive fixture can. This has massive impact on learning and the climate it creates in the classroom.
<i>Summer school</i>	3 Months	£££	Primary, Secondary. English, Maths, Science	**	Summer 2012 was the first year we had endeavoured to run a

					summer school. We invited all our FSM pupils and the FSM pupils from Etonbury Academy. Unfortunately due to the timescales involved there was a poor take-up. We will run this again next year but will ensure information is sent out earlier.
