

SIXTH FORM PRAISE TOKENS

Sixth Form students Believe – Achieve – Succeed – Exceed

The Sixth Form praise tokens are used by form tutors and the Sixth Form Team and go into an end of term prize draw.

STEPS TO FOLLOW

1. Tutors can issue a praise token to a student in a registration for continued involvement and engagement in form time activities and tasks.
2. The Sixth Form team can issue a praise token to students outside of lessons where they witness students continual hard work during study/prep time periods.
3. Students who receive a praise token are responsible for placing this in the praise post-box in the Sixth Form office. These then go into the end of term prize draw.

PRIZE DRAW

All tokens go into a prize draw at the end of the term and a prize is awarded. Prizes can vary each term.
