Believe

B Have a belief in yourself in academic and extra-curricula areas of your life. Have the belief you can achieve your aspirations and aim high.

Achieve

A Achieve your personal academic and extra-curricular aims in school and out of school.

Succeed

S Motivate and dedicate yourself to your academic studies so you succeed in achieving your targets and also enhancing your wider life skills.

Exceed

E Go above and beyond. Don't see a target grade as the limit. Push beyond that. Exceed your own and others expectations of you in your academic and extra-curricular areas.
