BTEC Media Studies homework, prep time work and private study work policy

All homework, prep time work and private study work in *BTEC Media Studies* is set on Edulink homework with a clear set date, due date and time allocation.

Homework / Coursework	4 hours of homework will be set by both of your subject teachers and will contribute to your knowledge and understanding of the film texts studied. This will take the format of extra-curricular reading, assessments or wider research around the topics being covered class. Homework will be set on Edulink, and will also be set on Google classroom. This will be approximately 4 hours, per cycle; 2 hours per teacher.
Prep time work	3 hours of prep time work will be set for BTEC Media. This will take the format of Week Ahead tasks and Week Back tasks. The Week Ahead tasks intend for you to carry out research ahead of topics due to be delivered in class, to form the basis of your knowledge and understanding; whereas the Week Back tasks become a form of reflective revision.
Private study work	2 hours of non-assessed private study work will be completed per cycle. This work is not checked for completion but evidence of completion will show through assessments
