# Sixth Form Block

- At break time and lunchtime please use the sixth form block – study rooms and café
- The study centre upstairs is not a social space – its for study only so please get into the habit of using it this way
- Make sure you locate the sixth form office – this is where you can ask about anything, including your timetable today
- And find the toilets

# Familiarisation

- For most of you, you will have 'Sixth Form familiarisation' on your timetable
- For this hour you should head to the Sixth Form block as this is the space you will spending much of your time in next year
- There is a quiz to fill in. These can be collected in the main study centre outside the main Sixth Form office
- Once completed please post this in the 'post box', also outside the main Sixth Form office
- Some of the answers will be found via the QR codes around the block

# Subjects- what to find out?

- What is the course content?
- Is it going to be right for you?
- Exams and coursework?
- What resources (including equipment/books) do you need to get ready for September?
- What is the summer task?
- Where on the website do I find course information and any resources?

# Period 5

- You will back in here (2pm)
- The following people will be presenting;
  
- Carl Tonking (FAQs)
- Lee Huckle (Headlines and Destinations)
- Rebecca Jackman (Enrichment)
- Annie Corbishley (High Aspirations)
