FABULOUS FILM

Tuesday 7th June 2022 4:00 - 5:00pm

The Film and Media department would like to invite you to partake in an Adobe Photoshop masterclass, in making film posters! In this interactive session, you will be working in small groups to take photos to construct your own film poster. You will then use our Media suite, with our latest Adobe software, to creatively edit your poster. This poster could be a re-working of a film poster that already exists, or one from your own imagination!
