Dear Parent/Carer

The government has released a consultation document regarding the awarding of grades this summer. Anyone with an interest in this area is invited to complete this by 29th April 2020 using the link below.

<https://www.gov.uk/government/news/ofqual-seeks-views-on-gcse-and-a-level-grading-proposals-for-2020>

You do not have to answer all of the questions in the document and some are very technical. You do not have to respond to this consultation at all if you choose not to, but please feel free to use the link to find the most current, up to date information about the arrangements for exam grading this year.

It has also been reported today that the results will be released on the original results days – 13th August 2020 for KS5 and 20th August 2020 for KS4, as outlined in this link <https://www.bbc.co.uk/news/education-52309763> . The exams team will issue further guidance on this at a later date.

Take care and stay safe.

Kind regards

Ian Butler
Vice Principal
