Dear Parent/Carer

### **South Africa Rugby & Netball Tour**

It is with great regret that we have taken the decision to cancel the South Africa Netball and Rugby tour for July. Just like the students I was also incredibly excited to experience everything South Africa had to offer. However, having spoken to many parents as well as the results of the recent survey, we feel it is the right decision to ensure everyone's safety.

Samuel Whitbread will be issuing a full refund of the money paid so far, minus the 10% deposit that the travel company are currently in possession of. We will now be chasing the insurance companies to recover the money from the deposit, and will be in contact in due course. Thank you for your continued understanding at this challenging time.

Lastly, one really nice idea from a parent was a possible reunion tour in the UK in the Autumn term – which we will be looking into in the coming months and will update you when we have more details.

Thanks

Jimmy Hart
