

SENDIASS

YOUTH ENGAGEMENT

At Central Bedfordshire SENDIASS, we offer information and advice to children and young people with Special Education Needs and Disabilities (SEND) and their families.

We also offer another service here at SENDIASS - **Youth Engagement** - let us tell you more...

What is a Youth Engagement Officer?

I hear you ask - well our Youth Engagement Officer works with you - if you are between 14 and 25 years old and have SEND, and are preparing for adulthood or are looking for some support with your independence - we are here to help!

We want to help you understand your SEND and support, and to let you know what rights and responsibilities you have.

We also want to empower you helping you to use your voice, so you can feel more confident, be part of your educational journey, and to help you achieve your hopes, dreams and ambitions.

When might you need us?

You may want some support from us if:

- You are going through different SEND processes, such as your annual review, or you may want to learn more;
- You want to learn more about your SEND, your rights and responsibilities and the support you receive;
- You are looking to be more independent with your SEND or preparing for adulthood;
- If you are looking for someone to help you find your voice;
- If you are looking to play a more active role in decision making in relation to your SEND and require support, advice and guidance.

How to get in contact?

If you would like to know more, or if you would like to discuss our Youth Engagement Support, please contact us:

 0300 300 8088
