Plus others...

Welcome to the Samuel Whitbread Summer Reading Challenge!

Your mission, should you choose to accept it, is to read as many of the titles as you can during your summer break.

There are lots to choose from; from verse novels and climate fiction, to historical tales and graphic novels.

Please visit your local library where you can request and borrow any of the chosen titles. You will need to be a member of the library to borrow books from them but it's very easy to join if you need to!

Rewards and prizes are up for grabs for completing the challenge, just let your English teacher or school librarian know which books you've read.

Happy reading!
